INDIVIDUAL CHAMPIONSHIPS

There are four individual championships, awarded to the competitors who put up the best performances of the day in their age group:

Senior Championship Cup for Open events.

Intermediate Championship Cup for Under 17 events.

Junior Championship Cup for Under 15 events.

Howard Glossop Cup for Under 13 events.

These awards will be decided by a Championship Committee.

All these cups are held for one year only.

Attention is drawn to the following innovations:

The date on which a boy's age was decided has been altered from April 1st to September 1st, 1966. Competitors are therefore one year older for each championship in comparison to years before 1965.

All events will be decided on Sports Day.

All Relay Races will be 4×110 yards.

The Medley Relay will consist of teams of four, one over 17, one 15-17, one 13-15 and one under 13.

Positions for all events have been drawn; in straight races the names read from the left hand lane; in others the first named is in the inside lane.

Kindly note that the Cinder Track and Enclosure are reserved for Competitors and Officials only. Everyone in the centre is asked to co-operate in giving spectators as unimpeded a view as possible.

The Meeting is conducted according to S.A.A. rules wherever applicable.
