

OLD CESTREFELDIANS' TRUST AWARDS

The Old Cestrefeldians' Trust sponsors awards to pupils at various Chesterfield schools / colleges in recognition of outstanding achievement in examinations or other activities as recommended by their teachers.

2021 Hasland Hall School Award

Previously the award has been used to sponsor prizes in the form of books presented at the school's annual Awards Evening recognising results in examinations.

This year, however, the Trust was asked to sponsor an external recording session for talented music student, Lexi Lee.

Below are photographs of Lexi at the recording session.
