

CHESTERFIELD SCHOOL OLD BOYS CELEBRATE 60TH ANNIVERSARY AT B2NET STADIUM

Friday 4th November 2011

Chesterfield FC's new b2net stadium was the venue for a group of Old Cestrefeldians celebrating 60 years since they first entered the gates of the old Chesterfield School on the town's Sheffield Road as 11 year old first years at the school.

This was the third year of the annual get together, but significant as the 60th anniversary.

Calling themselves the '51 ers' after the year they joined the school, the 'old boys' travelled from all over the country for the meeting.

The Old Cestrefeldians itself represents pupils from all years and meets every April also at the b2 stadium, with some travelling from as far away as New Zealand to attend the reunion.
