Sheffield Road Site Revisited – August 2014

After visiting the Exhibition, a group of OCs from the 1960s with Frank Gorman were fortunate to be given a guided tour of the school site, now part of Chesterfield College.

Entering from Chesterfield College Reception across the Bottom Field

Looking to the North Wing from the top of the Bank

Main School across the Top Field

The North Wing from the Masters' Common Room

Towards Sheffield Road from the Master's Common Room

Entrance by the Headmaster's Study

From where the 1950s Dining Room stood

Ingrederere ut proficias
Predecessor of Non quo sed quomodo?
