

Old Cestrefeldians' Trust

2020 Remembrance Service

The past few months have been very challenging for so many and have resulted in the Annual Reunion Dinner having to be rescheduled twice. It looked as if the Remembrance Service would also have to be cancelled, but thanks to the excellent relationship that the OCs' Trust has maintained with Chesterfield College, the Service will proceed on Wednesday 11th November.

Organised again by the Old Cestrefeldians' Trust, the Annual Remembrance will take place within the Old Grammar School, Sheffield Road premises. The Service will be conducted by OC, the Rev. R. E. Smith and will include participation by two members of the College VI Form and College Lecturer Lauren Sirr [who is providing some of the Technical Support]. OC Peter Miles will read a eulogy to his uncle 'Curly' Harrison, who died in WWII. The One Minute Silence will be observed as close to 11:00am as possible.

Unfortunately, due to strict Covid restrictions, attendance cannot be opened to the wider membership. A limited number of members have been invited to attend in person, but you will be able to watch as the service is being broadcast LIVE to your PC (with speakers), laptop, tablet or smartphone. The details of how to join us, are provided below.

The Service starts at approx.10:30am on Wednesday Nov 11, 2020 but PLEASE join the broadcast from 10:20am at the latest or you may miss the beginning.

Enter the Meeting I.D. and Password when prompted. You will then enter the 'Virtual' waiting room until the event 'Host' admits you.

Meeting ID: **923 3553 9042**

The 'Passcode' is Case Sensitive: **November**

The Order of Service is available [in pamphlet form](#) or [larger print version](#). If you are joining, then you may wish to print it out in advance.

It is also hoped that the Service will also be broadcast as a Live feed to the OCs' Facebook Group [Chesterfield School for Boys 1594 to 1991].

The Service will also be recorded and we hope to make it available to view online as soon as possible.
